**Policy may be subject to short rate cancellation. Premium on total losses is fully earned (where allowed).**

This notice is given in compliance with the Federal Fair Credit Reporting Act (Public Law 91-508) and the Consumer Credit Reform Act of 1996. I understand that as part of the Company's underwriting procedure, a routine inquiry may be made which will provide applicable information concerning character, general reputation, personal characteristics, mode of living and driving record. Upon written request, additional information as to the scope of the report, if one is made, will be provided.

I understand that if my watercraft is used for any business or commercial purpose, is used in any official or pre-arranged race, contest or event (unless it is a sailboat), is rented or leased to others, or is being held for sale, that this type of usage will void the obligation of the Company to cover any claims that might occur. I understand that if an ACV policy is purchased, the maximum limit of liability for hull coverage is the actual cash value (ACV) at the time of loss or the stated ACV above, whichever is less.

The foregoing statements made and signed by the owner(s) represents the information set forth as correct and a true basis on which insurance may be granted but in no way binds the applicant to accept quotation or insurers to accept risk.

**FRAUD WARNING: Any person who knowingly and with intent to defraud any insurance company, filed an application for insurance containing any materially false information or conceals, for the purpose of misleading, information concerning any fact material there to commits a fraudulent insurance act, which is a crime.**
